Just meet him. I told him that you'd be visiting me today
He said he'd wait outside for you.
Of course, it is up to you to decide, but personally I want you to accept his help

Hmm... I thought he might be just an old geezer, but...
You must be Bo
I believe your father told you about me.
Shall we talk somewhere else ?
About what ?
About me...
Being your legal guardian.

GRISSINI
PUCHAMP
But who does he think he is ?
Well, I followed him here because ... I was really hungry
You must have been very hungry

I don't know when I will be able to eat like this again.
So I am going to eat as much as I can.
If you let me be your guardian
You could eat like this every day
.....
이상한 아저씨...
Some stranger shows up one day all of a sudden,
and tells me that he's going to take care of me
I cannot trust you like this.
How close are you to my father ?
To be honest with you, I was rather close to ...

Your mother
We had known each other for many years.
Looks like you don't like her
So you weren't father's friend, but my mothers.
I had no idea
I am sorry but I am afraid I can't eat anymore.

.. Why ?
I fear that you might hit me from my back.
People hang out with similar kind of people
So, if you are close to my mother,
I cannot trust you at all.
She betrayed me and father
And left us.

It was a giant big hand that gently covered
My boiling forehead
You have a high fever
Dad ...
Dad ?
I was too ill to even open my eyes
But I knew who it was right away
Yes
What took you so long ?
I was waiting for you
This is my only precious memory that I have for my childhood
Sorry

Yes ... I do have my sweet memories with my sad.

What ?
N no !
My face is swollen !
Oh, gosh
I can't believe this, but you got fatter
How could one get fatter in such a harsh and mean environment ?!

Doesn't matter. You'd eat three times a day, right ?
I've forgotten when I ate rice last time.
Money —
Has it run out ?
927
What ran out ?! You left no money !!!
You had debts !
The deposit I was given when the landlord kicked me out ran out a long time ago.
And due to the news, I can't get a job, either.
Well, that's how it goes anyway.
No one likes to employ a murderer's daughter
Besides, I am underaged.
Hey, be quiet !
I told you I did not do it ! I am innocent !

Boi ! Don't you trust me ?!

I knew ...
I know who might have dragged into this.
No one seems to have a clue ... Not even lawyers.
I am innocent ! I must prove that I am innocent !
It wasn't me !
So what ? They think you are !
Except me, no one is trusting you !
Do they think a man like him can even harm another ?
Bonn !
You must trust me ! If I lose even your trust -
I will be done for !

I will do whatever I can -
To help finding the real criminal
Don't worry. I will get you out of here.

I will get you out of here.

Be - Eol ..
You are in a prison !
There are lots of bad guys here !
If you keep acting weak like this they will eat you alive !
You are a lovely daughter ! You are my sunshine !
Shut up ! And stop crying !
Show me right now ! Show me your charisma !

Wanna die?
Good job!
Really? I did good?
I am leaving now
I will visit you again when I settle down.
Oh, yes!

Boi, wait!
How are you going to fare... I mean you got kicked out and no one wants to employ you..
You can't do anything about that, so quit worrying.
Ah, wait... I think I know of someone who might help you out.
What? You know someone who might loan me some money?

What ?
Who is it ?
Not long ago, an old friend of mine visited me.
He told me that he might be willing to look after you while I am in here.
You don't know what he might be up to !
Tell me who it is.
I know every one of your friends !
Just .. an old friend
He's rich and handsome ..
And he's powerful
Just who is it ?!
He's not that kind of person.
He's a little cold, but he's alright.
I can tell you that we can trust him.
